Routine Notes.

M e m o

Now that the Military Assistant has submitted for sanction the entertainment of 1 Butler and 1 Cook for work in the Guests' Quarters in Bangalore, I beg to suggest that a Brahmin Cook on Rs. 15/- per mensem may also be attached to the Guests' House and his pay may similarly be ordered to be met from the Government House Budget.

I understand that this was being done formerly but owing to some reason or other was discontinued. As the Brahmin Cook is found absolutely necessary the appointment may be revived.

Memorandum
(Military)

No. 14 S. 22-7-08.

Subject.

Caretakers for the Govt Houses at Bangalore.

Now that the Inspecting Officers and the Visiting Guests' Quarters at Bangalore have been thoroughly furnished I find it necessary to appoint a caretaker & a cook.

I am going on leave & have two excellent servants whom I should like to appoint.

The Butler Nagappa has served me for 23 years. He is a most reliable Head Butler. I pay him Rs 30/- a month but in consideration of the fact that the appointment is a Govt one & that he may succeed Arlamanam Mahram in Govt House Nagappa is willing to take Rs 15/- a month which I understand all your Secretary can offer.

× × ×

As regards the Cook I have been paying him Rs 25/- a month. He has served for 14 years. I do not think he will accept anything under Rs 15/- a month. This is very low pay for a really good Cook who can always get employment. If he will not come I would suggest that the selection of the Cook be left more or less in Nagappa's hands as he is always best when not too much interfered with.

× × ×

Although the cook now gets Rs 25/- per mensem I dare say he would take Rs 15/- if serving under Nagappa in a Govt appointment.

If you approve of the above appointments I propose that the salaries of these two servants should be met from the grant of Rs 50 000/- provided for the entertainment of HH.'s guests.

The appointments if approved may be made from 1st August 1908 or any later date
